

Canteen

The Trinity College Canteen provides a wide range of nourishing food to students at reasonable prices and is an important service that the school can provide to support our students and their families. The Canteen is open during both breaks and provides lunch, drinks and snacks.

Lunch orders should be placed before school begins, but no later than the end of homeroom. It is preferred that correct money is placed with the order. Cash and card payments are accepted. Students are reminded to put their name and class on their order.
