

SCHOOL FEES POLICY

All Trinity College Colac Policies will be read and developed with reference to the Core Values, Vision and Mission of the College as well as any other relevant College policies.

Rationale

The Trinity College School Fee Policy is based upon the school philosophy of providing a Catholic Education of excellence to students in the spirit of the College founders, Edmund Rice and Catherine McAuley, where all are guided by the Gospel values of faith, hope and love. Financial resources will allow this education to develop the whole student spiritually, intellectually, emotionally, socially, physically and culturally. Trinity College will foster self esteem, self discipline and respect for others. School fees assist with provision of educational services provided by the College and include for the most part, all basic curriculum subject levies, excursions, technology requirements, retreats and camps.

Scriptural Context

'Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs ... And he took them up in his arms, laid his hands on them and blessed them.'
(Mark 10:14-16)

Policy Statement

Trinity College will set an all inclusive school fee to collect appropriate funds to ensure the provision of a quality education for students and the long-term viability of the College.
